

Together We Will Make a Difference

Wisconsin Region Employee Giving Campaign

The SSM Health foundations encourage all employees to support your passion for our Healing Mission with a personal donation. Your gifts benefit patients, families and co-workers through the funding of priority initiatives, technology advancements and employee support.

Area of Greatest Need:

Support what's needed most. Your Foundation's unrestricted fund provides financial support to areas of greatest need.

Employee Relief Fund:

Serves as a vital resource that assists with employee financial hardship. Because of your support of your Foundation, and your colleagues, over \$175,000 was awarded to struggling employees in 2020.

Designate Your Gift:

Your Foundation has many funds that support a spectrum of vital programs and services. By designating your gift, you are empowered to support what you're most passionate about.
