A FRIENDLY SMILE...  
THE TOUCH OF A HAND...  
A WORD OF ENCOURAGEMENT...  
AND A PLACE TO CALL HOME.

For more than 100 years, we have been providing compassionate care to your neighbors and friends in Fond du Lac.

From our early beginnings in 1903 as the Henry Boyle home to our extended St. Francis Home campus of today, many dramatic changes have occurred. What has not changed is our commitment to provide you with a caring, Christian environment. Under the sponsorship of the Congregation of Sisters of St. Agnes, we strive to serve each resident with respect, dignity and a sense of individual worth.

We are a leader in promoting a continuum of quality care that includes innovative programs and services for our residents. We nurture an environment which allows us to retain the best staff, and we provide you with an active and vital community where you can be comfortable and content.

Our continuum of care offers you three options tailored to fit your needs:

- Independent Living. St. Clare Terrace offers a safe, secure environment where you can enjoy a fulfilling lifestyle through independent community living.
- Assisted Living. St. Francis Terrace offers limited care while still allowing you a strong sense of independence.
- Skilled nursing care. St. Francis Home is a 107-bed skilled care nursing facility specializing in long-term care and offering a special household designed especially for residents with Alzheimer’s disease.

Wherever you are in your personal journey, we offer you a place to call home.

PRAYER OF SAINT FRANCIS

Lord, make me an instrument of your peace.  
Where there is hatred, Let me sow love.  
Where there is injury, pardon  
Where there is doubt, faith  
Where there is despair, hope  
Where there is darkness, light  
And where there is sadness, joy.

O divine master, grant that I may not so much seek to be consoled as to console. To be understood as to understand, to be loved as to love; for it is in giving that we receive; it is in pardoning that we are pardoned and it is in dying that we are born to eternal life.
